Total	\$ 12,419,300.00	\$ 13,724,500.00

Note: The administration recommends that the board awards bid 3267 Powell Middle School HVAC and Electrical Improvements to **Fountain Construction**. The administration recommends awarding the base bid and all alternates one through six.

Base Bids \$ - HVAC Replacement

Alternate #1 - Replacing the Classroom Lighting

Alternate #2 - New Entrance Canopy and Storefront

Alternate #3 - Additional Canopy at the Parent Drop Off

Alternate #4 - Classroom Flooring

Alternate #5 - Glass in the Display Cases

Alternate #6 - New Interior Doors and Hardware

This project is to convert the existing HVAC system from a two-pipe system to a four-pipe system, replace outdated electrical equipment, and replace electronic systems throughout Powell. While upgrading these major systems, we will also take the opportunity to close in the transoms above each classroom and update the interior finishes throughout the building.
