

EMERGENCY CLOSING OF SCHOOLS When schools, departments and programs are closed, a decision is made when current or future conditions are extremely hazardous and not expected to improve throughout the day. No buses will operate. No students should report to school, and after-school activities are canceled or postponed. Only designated staff report to work.

- **Delayed start** – Schools will open at a designated time. This decision is made when weather conditions are expected to improve greatly after the original start of school. Bus route time will be altered. Employees report to work at the normal time, conditions permitting. Parents have the option to drop off their children at the normal time knowing they will be supervised by JPS staff.

If conditions allow, delayed start times at Jackson Public Schools will be observed as follows:

- Elementary, 9:30 a.m.
- Middle, 10:00 a.m.
- High, 10:30 a.m.

altered. After-school activities are canceled or postponed. Employees will be allowed to leave as directed by their administrator.

- **Virtual Learning** – In the event the District shifts from in-person learning, scholars will use electronic devices to receive synchronous, online instruction.

- **Full or partial implementation of above options** – If hazardous conditions exist at one school but not others, the Superintendent may exercise one of the above options for that school while others continue normal operations.
