CHILDREN'S INTERNET PROTECTION ACT (CIPA) POLICY

It is the belief of the Jackson Public School District that the use of telecommunications, including the Internet, in instructional programs is an educational strategy which

Inappropriate Network Usage

To the extent practical, steps shall be taken to promote the safety and security of users of the Jackson Public School District online computer network when using electronic mail, chat rooms, instant messaging, and other forms of direct electronic communications.

Specifically, as required by the Children's Internet Protection Act, prevention of inappropriate network usage includes: (a) unauthorized access, including so-called 'hacking,' and other unlawful activities; and (b) unauthorized disclosure, use, and dissemination of personal identification information regarding minors.

Education, Supervision and Monitoring

It shall be the responsibility of all members of the Jackson Public School District staff to educate, supervise and monitor appropriate usage of minors using the online computer network and access to the Internet in accordance with this policy, the Children's Internet Protection Act, the Neighborhood Children's Internet Protection Act, and the Protecting Children in the 21st Century Act.

Procedures for the disabling or otherwise modifying any technology protection measures shall be the responsibility of the superintendent or designee.
